A telephonic interview in the above-referenced application was conducted on October 23, 2006, between Examiner Tonias M. Thomas and Trueman H. Denny III. After discussing the status of the application, the Examiner concluded that Applicants' September 29, 2006 reply to the Final Office Action mailed July 26, 2006 placed Claims 14, 16 - 19 and 22 - 37 in condition for allowance. Furthermore, Examiner Thomas stated that a notice of allowance would be timely mailed before Thursday, October 26, 2006 in order to avoid potential abandonment for failure to timely file a Notice of Appeal by the statutory three month deadline of October 26, 2006.

Moreover, after further discussion, Applicant agreed to rescind its request for Rejoinder of Withdrawn Claims 1 - 11 and 38 - 40 and to an Examiners Amendment that would Cancel Claims 1 - 11 and 38 - 40 because the scope of those claims would not permit rejoinder and a timely issuance of a Notice of Allowance.
